Housing Authority (SCCHA) administers two basic types of federally assisted housing programs: property-based assistance programs and tenant-based assistance programs.

The tenant base is the Section 8 Housing Choice Voucher Program (HCVP), which provides rental assistance to participating families residing in privately owned dwellings.

There are three types of property-based programs.

- Public Housing (there are eighteen separate locations, each with its waiting list).
- Multi-family housing (with locations in Brooklyn and Belleville)
- Rural Development Housing (located in Lebanon)
