The St. Clair County Housing Authority (SCCHA) administers two basic types of federally assisted housing programs: property-based assistance programs and tenant-based assistance programs.

The tenant-based program is called the Section 8 Housing Choice Voucher Program (HCVP). It provides rental assistance to participating families residing in privately owned dwellings.

There are three types of property-based programs, including:

- Public Housing (there are 18 locations, each with a waiting list).
- Multi-family housing (with locations in Brooklyn and Belleville)
- Rural Development Housing (located in Lebanon).
