1. **Background on the Section 3 Program**

Section 3 is a policy mandated by the United States Congress. It refers to the third section of the Housing Act of 1968, as amended by section 915 of the Housing Community Development Act of 1992. The purpose of Section 3 is to “ensure that employment and other economic opportunities generated by certain Housing and Urban Development (HUD) financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed toward low and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low and very low-income persons.”

Consistent with 24 CFR Part 135, as a recipient of HUD Public and Indian Housing funding, the St. Clair County Housing Authority (SCCHA) requires fulfillment of Section 3 obligations on contracts that make use of that assistance. These policies are consistent with the regulations governing the implementation of federally mandated Section 3 provisions, regardless of contract amount or whether it is designed as construction. The SCCHA works to provide a positive effect on the employment, training, contracting and other economic opportunities to its residents and other low income persons. In doing so, the SCCHA utilizes Section 3 as a means of promoting its mission of assisting qualifying individuals with not only housing assistance but assistance that leads ultimately to self-sufficiency.

2. **Statement of Purpose**

Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701u)(Section 3) requires the SCCHA ensure that employment and other economic and business opportunities generated by the Department of Housing and Urban Development (HUD) financial assistance, to the greatest extent feasible, are directed to public housing residents and other low-income persons, particularly recipients of government housing assistance, and business concerns that provide economic opportunities to low and very low-income persons.

It is the policy of the St. Clair County Housing Authority to require its contractors to provide equal employment opportunity to all employees and applicants for employment without regard to race, color, religion, sex, national origin, disability, veteran’s or marital status, or economic status and to take affirmative action to ensure that both job applicants and existing employees are given fair and equal treatment.

The SCCHA implements this policy through the awarding of contracts to create employment and business opportunities for residents of SCCHA and other qualified low and very-low income persons.
The policy should result in a reasonable level of success in the recruitment, employment and utilization of SCCHA residents and other eligible persons by SCCHA contractors working on contracts partially or wholly funded by HUD monies. The SCCHA shall examine and consider a contractor’s or vendor’s potential for success by providing employment and business opportunities to SCCHA residents prior to acting on proposed contract awards.

3. Definitions

Definitions are as follows:

A) **Low-income person**: single persons and families whose incomes do not exceed 80% of the median income for the area.

B) **Very Low income person**: single persons or families whose incomes do not exceed 50% of the median family income for the area.

C) **Section 3 Business concern**: a business entity formed in accordance with State law that is either: a) 51% or more owned by a Section 3 resident; b) a business employing at least 30% full time Section 3 residents within 3 years of the date of first employment with the business were Section 3 residents, or; c) providing evidence of a commitment to subcontract in excess of 25% of the dollar award of all subcontracts to be awarded to businesses that meet the description of Section 3 business concern in sections a or b of this paragraph.

D) **Section 3 resident**: a) A public housing resident or: b) a person assisted by the locally administered Housing Choice Voucher program or: c) a person who resides in the metropolitan area or non-metropolitan county in which Section 3 covered assistance is expended and is a person who is a low or very low income person.

4. Requirements of the SCCHA Section 3 Program

The Section 3 program seeks to aid Section 3 residents to the greatest extent feasible. SCCHA, its contractors and subcontractors have three ways they may satisfy the Section 3 Requirements:

- **Hiring low- and very low-income workers:**

  Consistent with Section 3 guidelines, to the greatest extent feasible, hire at least 30% of the aggregate number of full-time new hires created by the contracted or grant driven work with a preference for the residents at the development where work is being performed. If a contractor is hiring 3 employees as a result of the contract at least 1 of them must be a Section 3 worker.

- **Awarding contracts to Section 3 business concerns:**

  Attempt to award at least 10% of the total dollar amount of all Section 3 covered contracts to Section 3 business concerns for building trades work including maintenance, repair, remodeling, modernization and abatement of Public Housing or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction.
Attempt to have general contractors award in excess of 25% of the dollar award of all subcontracts to be awarded to a Section 3 business concern.

It is the SCCHA goal to advocate for as many SCCHA residents as possible. Contractors are strongly encouraged to comply with Section 3 by hiring Section 3 eligible persons regardless of whether new hires are necessary.

- **Competitive Bids**

The St. Clair County Housing Authority has chosen to exceed the stated guidelines governing the participation of Section 3 business concerns in the SCCHA contracts for building trades work including the maintenance, repair, remodeling, modernization and abatement of Public Housing or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction.

SCCHA shall provide those businesses that have been determined to qualify as a Section 3 business concern with a monetary advantage in the bidding and award process for all aforementioned contracts.

The SCCHA shall solicit bids from all businesses (Section 3 business concerns, and non-Section 3 business concerns). An award shall be made to the qualified Section 3 business concern with the highest priority ranking and with the lowest responsive bid if that bid:

(a) is within the maximum total contract price established in the contracting party’s budget for the specific project for which bids are being taken, and

(b) is not more than “X” higher than the total bid price of the lowest responsive bid from any responsible bidder. “X” is determined as follows:

\[
X = \text{lesser of:}
\]

When the lowest responsive bid is:
- At least $25,000, but less than $100,000 .................. 10% of that bid or $9,000.
- At least $100,000, but less than $200,000 ............... 9% of that bid or $16,000.
- At least $200,000, but less than $300,000 ............... 8% of that bid or $21,000.
- At least $300,000, but less than $400,000 ............... 7% of that bid or $24,000.
- At least $400,000, but less than $500,000 ............... 6% of that bid or $25,000.
- At least $500,000, but less than $1 million ............... 5% of that bid or $40,000.
- At least $1 million, but less than $2 million .......... 4% of that bid or $60,000.
- At least $2 million, but less than $4 million .......... 3% of that bid or $80,000.
- At least $4 million, but less than $7 million .......... 2% of that bid or $105,000.
- $7 million or more ................................... 1/2% of the lowest responsive bid with no dollar limit.
5. **St. Clair County Housing Authority Responsibilities**

The SCCHA, as recipient of Public and Indian Housing funding, accepts the responsibility of not only enforcing the Section 3 requirements, but also pro-actively facilitating compliance with Section 3. The SCCHA fulfills this responsibility in the following ways:

1. Notifying Section 3 residents of opportunities through posting job openings in the Central Office and other management offices.
2. Notifying contractors in each pre-job meeting of the Section 3 requirements;
3. Incorporating the Section 3 clause in all of its contracts;
4. Providing applications for employment at the SCCHA front desk and allowing applications to be submitted at the same location; and providing applications for employment on the SCCHA website.
5. Encouraging training of Section 3 residents through support of the SCCHA Resident Councils;
6. Providing an employment data form to interested Section 3 residents (upon admittance to public or Section 8 housing) which is kept on file as a resource for the SCCHA and contractors when seeking to hire Section 3 workers;
7. Documenting actions taken to comply with Section 3 requirements;
8. Reporting annually on its efforts regarding Section 3 implementation (see form HUD-60002 Attachment B)
9. Attempt to award at least 10% of the total dollar amount of all Section 3 covered contracts for building trades work including maintenance, repair, remodeling, modernization and abatement of Public Housing or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction.
10. SCCHA shall refuse to award contracts to businesses or persons found to be in prior violation with Section 3 requirements no matter the venue.

6. **Contractor Responsibilities**

SCCHA requires that contractors and subcontractors satisfy Section 3 requirements by:

- **New Hires – Section 3 eligible individuals**

  New hires are described as full time employees for permanent, temporary or seasonal employment opportunities. The general contractor and its subcontractor(s) have a requirement of 30% of new hires to be Section 3 residents.

- **Section 3 business concerns**

  General contractors shall provide evidence of a commitment to subcontract in excess of 25% of the dollar award of all subcontractors to be awarded to businesses that meet the description of Section 3 business concerns as defined above.
• **Documentation of Section 3 Compliance**

1. Contractors must submit, with any and all bids or proposals, an action plan (Schedule “A”) describing their implementation of Section 3 regulations. **Omission of this document with a bid or proposal shall deem that bid or proposal non-responsive and therefore ineligible to be awarded a contract.** Allowances may be made by the SCCHA relative to contractor Section 3 submissions in emergency procurement situations.

2. Recommended activities to demonstrate “Training and Employment Efforts” and “Efforts to Award Contracts to Section 3 Business Concerns” are listed on pages 704, 705 and 706 of 24 CFR Part 135, attached.

7. **Preferences and Eligibility**

   A) Regarding the hiring of Section 3 residents, preference shall be given to those residents who live in the complex where the covered assistance is expended. Next, the Section 3 residents from other complexes to include those residents assisted by the Housing Choice Voucher Program shall be sought. If no Section 3 residents are available from the complexes, the SCCHA and the contractors shall give preference to any Section 3 resident within SCCHA’s jurisdiction.

   B) Regarding the contracting opportunities for section 3 business concern, preference shall be given to business concerns owned at least 51% by residents of the complex where the covered assistance is expended. Next, Section 3 business concerns that are owned at least 51% by residents of other complexes shall be sought. If no Section 3 business concern is available from the complexes, the SCCHA and the contractor shall give preference to any Section 3 business concern.

   C) Regarding eligibility, a Section 3 resident seeking employment must fulfill the requirements of the position sought and provide evidence of their Section 3 status. (e.g., receipt of public assistance, tax returns). A Section 3 business concern seeking to win a contract must fulfill the requirements of the contract in full and, if asked, provide evidence of their Section 3 status.

8. **Complaints and Compliance**

   Any Section 3 resident or business concern that feels that the Section 3 regulations were not complied with may file a complaint directly to the Assistant Secretary for Fair Housing and Equal Opportunity at the following address:

   Assistant Secretary for Fair Housing and Equal Opportunity  
   Department of Housing and Urban Affairs  
   Washington, DC 20410
The complaint must be in writing and be received within 180 days from the date of the action upon which the complaint is based. It should include the complainant’s name and address, the SCCHA or contractor’s name and address and a description of the act in question. The complainant will receive a response from HUD within 10 days in which further investigation will be explained.

Forms to file a complaint are not required but are available upon request.
